## IGLESIA BÍBLICA

January 16, 2012

Greetings dear loved ones,

We wanted to send this update quickly to you after Sunday's launch to "Thank You" for praying so diligently for our church and for those who gave financially to make this happen. It was a wonderful service and it was obvious the Holy Spirit was present. It was not only a special day for us because of launching at the hotel, but also because yesterday we celebrated 10 years in Nicaragua. The launch fell on the same day as our first day of arrival in Nicaragua 10 years ago. You can imagine the joy we felt after so many years of hardship, joys, struggles, victories, and defeats. The Lord, by His grace, has sustained our faith and has had mercy on our lives and given much fruit in the ministry because His Word does not return void.

We are amazed at what the Lord has done and continues to do. **There were a total of 340 people that attended launch Sunday.** We were blessed beyond measure and everyone heard the supernatural power of the Gospel. At guest reception, I approached a middle aged man and asked him how he felt about the church and his visit. He responded by saying; "The most impactful part was the message, it was simple and bold and penetrated right to the heart." Praise the Lord for what the Holy Spirit is doing among us. We are still praying for a reformation to begin in all of Latin America. Also, Pastor Edwin and family leave Feb 2, to live and begin preparation for starting Harvest Managua Ometepe on the island. They need your prayers also.

We need you all to please stay faithful in praying for us, our children, and the open doors for the work in Latin America. Please also pray for the new believers to assimilate well into the church. Thank you so much for supporting us and the work the Lord has called us to.
